\$\_\_\_\_\_ **TOTAL AMOUNT ENCLOSED**

**ORAS Membership** includes Astronomical League (AL) membership, and access to its many benefits (e.g. discounts, certificate programs, *The Reflector* magazine, etc.). **Check here if you already have an AL membership** \_\_\_\_\_

**Members are strongly encouraged,** but not required, to join committees. Please select those you are interested in joining:

\_\_\_ **Education Committee** - organize educational activities members, local groups, schools, etc. This may include in-person or virtual presentations at the observatory or remote location, newsletters, collecting and sharing astronomy-related learning activities, etc.

\_\_\_ **Observation Committee** - maintain the observatory, classroom, telescopes and other observing equipment, and the field surrounding the Observatory, etc. Also makes recommendations on new construction and additions to the facilities.

\_\_\_ **Astroblast Working Group** - Astroblast is an annual 5-day ORAS star party including speakers, workshops, night sky observing, door prizes, food, fun, and community. This working group plans and implements the annual star party which typically takes place in the August-September time frame.

**NOTE:** Often observing at the Observatory can be planned at the last minute. Email is not the most efficient way to communicate for these types of activities. If you would like to be part of a group that will receive group text messages about events, please provide your cell phone number here. Otherwise leave this space blank.

**I wish to be part of ORAS Group Text messaging. My cell phone # is** \_\_\_\_\_.

**NOTE:** ORAS **does not** share membership mailing addresses, email addresses or phone numbers without prior approval from individual ORAS members.
